

Portkeys LH7H

SKU: PK-LH7H

Description

The Portkeys LH7H: an entry-level 7-inch monitor boasting a daylight-viewable touchscreen and a comprehensive suite of professional monitoring tools. With four user-assignable function buttons, it offers flexibility tailored to your needs. The LH7H shines with a maximum brightness of 1,000 nits, ensuring crystal-clear visibility even in bright daylight. Its 10-bit (8+2 FRC) panel delivers precise color reproduction, capturing rich color details without any noticeable banding. Boasting a FullHD 1920 x 1080 resolution, expansive viewing angles, and a 1000:1 contrast.
