

Portkeys BM5 III

SKU: PK-BM5-III

Description

The housing of the BM5 III is entirely made of rugged aluminum and has toughened glass in front of the display. Looking for a robust 5.5-inch on-camera monitor? The Portkeys BM5 III is ready for all your next creative adventures thanks to its compact form factor. But also it's daylight-viewable touchscreen, four user function buttons, and a full suite of professional monitoring tools. However, with a weight of only 351g/12.3oz (without battery), you'll easily forget it on your camera rig.
