Accsoon CineView Nano

SKU: ACC-WIT04-M
EAN-13: 0664918772208

Description

Accsoon CineView Nano is a smaller, lighter version of the CineView wireless system. The CineView Nano accepts up to a full HD 1080p60 HDMI signal via a HDMI port, and it wirelessly transmits the signal to up to four separate iOS/Android mobile devices at the same time. The signal is sent over 5GHz up to 500ft line of sight with a low latency of approximately 60ms.

Alternatively, the phone clamp can be detached and replaced with a gimbal attachment plate compatible with DJI RS2/RS3 gimbals. This conveniently situates the CineView Nano underneath the camera mounting plate for optimal balance and ease of access.

Technical specifications

Video Input	HDMI
Video Output	1080p 23.98/24/25/29.97/30/50/59.94/60fps
Audio	44.1KHz/48KHz 16bit/24bit PCM via HDMI
Latency	0.06s (Camera latency not included)
Transmission Power	17~20dBm
Transmission Range	500ft (No obstacles, no interference)
Power Consumption	2.5 Watt (Without charging other devices)
Operating Environment Temperature	-10~40°C
Dimensions	76mm × 113mm × 20mm
Weight	72.3g

Box includes:

1x Transmitter
1x Phone Clamp
1x Cold shoe mount adapter
1x RS2/3 Pro Gimbal Adapter
1x User manual

Shipping box dimensions

Dimension (L x W x H)	cm: 23 x 21 x 23 inch: 9.0 x 8.3 x 9.0
Weight:	kg: 0.35 lbs: 0.8
